Little Learners Preschool

Programs We Offer:

- **3-Year-Old Morning Class**
This class provides age-appropriate activities designed for a “first-time” preschool experience. Circle time is shorter and filled with songs, stories, and interactive fingerplays. Children are introduced to colors, name recognition, numbers, shapes, and letters.
Children must be 3 years old by the first day of school.
- **4-Year-Old Afternoon Class**
In this class, children explore colors, name recognition, numbers, shapes, and letters in greater depth. Activities include longer circle times and more involved projects than those in the 3-year-old class. We recommend this class for young 4-year-olds. If your child is 4 years old by October 1st, you may also apply for UPK. Children will also enjoy bringing and eating their own lunch together. Families can choose between a 2-day or 3-day schedule to best fit their needs.
- **Pre-Kindergarten Morning/Afternoon Class**
This class focuses on preparing young learners for kindergarten. Children develop emergent reading skills, math concepts, and social skills through games, songs, rhymes, and hands-on letter and number recognition activities.
If your child is 4 years old by October 1st, you may also apply for UPK
